Breaking the Back of Lack, Pt 2

Shifting Out of Cruise Control

Sermon by Pastor Zach Prosser

- Read 2 Timothy 1:5-6
- When you're driving in cruise control, you maintain a consistent speed without working toward anything: no acceleration, no advancement. When you're in "spiritual" cruise control, you are not advancing or growing upward in Christ.

What does the passage from 2 Timothy suggest about living a life of spiritual cruise control?

- A life of faith is meant to be lived intentionally and actively; it's genuine, not reliant on the bare minimum or a mindless routine.
- If you realize you're in spiritual cruise control, you can shift out of it by remembering the substance of your faith (Hebrews 11:1), and acting in response, pressing forward toward the goal (Philippians 3:13-14) and setting the word of God before you (Proverbs 4:20-22).

What reminders would be helpful for you to shift out of spiritual cruise control? What scripture can you set before you to help you stay the course and keep pressing forward?
