Holy Spirit: The Nurturer

Sermon by Pastor Heather Prosser

- Christians often think of God as masculine: God the *Father* and Jesus the *Son*. But Pastor Heather said, “The Holy Spirit displays qualities and characteristics of a *nurturing mother* that we desperately need.”

How have you experienced God’s mercy in your life?

Has there been a time when you found greater comfort in God than in man? How has this changed your expectations of God and man?

- Read Romans 8:11. When the Holy Spirit dwells in us, he brings life, healing, and comfort.

Have you surrendered to the Holy Spirit to let him heal your heart and soul? If not, what might be holding you back?

- Pastor Heather explained the Holy Spirit as “the love of the Father for the Son,” embodied as “an actual person.” When we receive the Holy Spirit into our lives, we receive God’s love in a powerful way.

Have you received God’s love into your life through the baptism in the Holy Spirit?

Do you receive His love daily to nurture you through life?
