Overflow Series, Part 1

Sermon by Pastor Zach Prosser

- Read Proverbs 3:9-10
- Discuss this verse and what Pastor Zach meant when he said “Prosperity is not a promise you claim in prayers or with fasting and confessions. Abundance and blessing are a covenant with God that you practice.”
- Read Galatians 6:7; Genesis 8:22; Genesis 1:11-12
- What is the importance of sowing and reaping? What attitude should we have about it?
- Reflect on and discuss Adam Clarke’s words: “God, who is the first and the best, must have the first and the best of everything; his right is prior to all other and therefore must be served first.” In what ways can we offer God the first and best of everything we have?
- Discuss God’s covenant proclaimed in Deuteronomy 28:8,11-14. What does God require of us if he is going to bless us with reaping an abundance?
- Pastor Zach sums it up: “Do not regard the weighty glory of God as light and common. Let his glory shine through you in all you do; especially in your giving considering He has given to you. Give of your substance and the best of all your income so that God may cause all of your storehouses to be consecrated, replenished, protected, and filled. There will be breakthrough in all your labors, bringing abundance to others.”
