

## From Pastors Zach & Heather

---

Resurrection month is here! It's time for resurrection power to flow in every area of your life! This month we begin a sermon series entitled "Breaking the Back of Lack." God supplies and multiplies your seeds sown. *Lack, poverty, survivalist* are all terms we use to describe a similar thing—none of them being finances. These are mindsets and perspectives that can limit us from operating in faith and obedience. Over the next few weeks, we want to discover the Biblical truths about God's prosperity and provision. It's time to leave the breakdown and have a breakthrough into the abundance of God's supply and His perspective. God's Kingdom is not based on a class system or earthly economics. In God's Kingdom, His laws and His provision are available to all who will operate according to His Kingdom. Through this journey together, we will discover Kingdom principles that will revolutionize your life, our church, and our community.

Blessings in this Unprecedented Year!  
-Pastors Zach & Heather
