

From Pastors Zach & Heather

"See what great love the Father has lavished on us...! (1 John 3:1)" Oh, the love of God! We often view the love of God as only an emotion, but love is more than an emotion when considering God's love. God's essence is love. Love is flowing from Him as a river flows from the headwaters. And this wonderful river of love is the person of the Holy Spirit that is being wonderfully poured out upon us. We are the benefactors of this divine relationship of love. We will spend eternity discovering the depths of this boundless love. Solomon beckons us to be drunk on His love (SOS 5:1). As believers, we are not restrained to moderation when drinking of Him. We may drink until we are drunk with His love. It is this spiritual intoxication that affects how we live, where we go, what we do, and how we minister to others. The more we receive, the more we give away. The more we drink, the more we are affected. Consider His love for you, and drink deeply of His love!

Blessings in this Unprecedented Year!
-Pastors Zach & Heather
