

From Pastors Zach & Heather

It's fall! The air is beginning to shift as we anxiously anticipate the leaves beginning to change colors and we watch as squirrels and chipmunks begin to store their food for the winter. As we look at the seasons changing in the natural world around us we can rest assured there is also a changing of seasons in the spiritual! Hallelujah! The farmers are preparing their fields to reap the harvest of their labor and enjoy the fruits of their work. How much more is it time for us as believers to reap the harvest of the years of labor spent for the Kingdom of God? To enjoy the fruits of our labor? My friends, there is a season changing and is changing all around us. We, the believer have the opportunity to step into this change with great anticipation of what the Lord has in store. As we pray for our unsaved family or friends, or maybe as we begin to pray for healing over others we believe that now is the time! Today is the day of salvation! Today is the day of healing! Today is the day of deliverance! Today is the day of provision! Today is the day of restoration! Today is the day! It is harvest time for me and for you!

Amos 9:13 "Behold, the days are coming," says the Lord, "When the plowman shall overtake the reaper, And the treader of grapes him who sows seed; The mountains shall drip with sweet wine, And all the hills shall flow *with it*."

Blessings!
Pastors Zach & Heather
