## Care Group Discussion Guide

10-9-22

Flourish

Read Psalm 92:12-15

Flourishing is defined as: grow, prosper, bloom, blossom, develop, do well, expand, multiply, succeed, thrive, amplify, arrive, augment, burgeon, increase, score, be on top of the heap, bear fruit, come along, get ahead, get on, go great, hit it big.

1. A life that blooms with growth doesn't just happen. Discuss the process of sanctification and how our "boxing gloves" are on.
2. The world equates flourishing with activity and productivity. A Biblical perspective means we become more like Christ. Read 2 Corinthians 3:18. How does this verse (and others) describe our transformation process?
3. The work of God's grace in our life redeems our values and visions, and gives us the power to pursue and become those redeemed things God says we are. Talk about your growth experience and how God's grace is at work redeeming and empowering your transformation.
4. Thinking of flourishing in the lives of those in the Bible, how do we see these people flourish: Jacob, David, Esther, Joseph
5. Read 2 Corinthians 4:16-18. Why should we not lose heart? What is God working in us?
6. Everything in our present season is preparation for the next season. How is God using your past seasons for His glory and our good in this season?

### Elements of a Healthy Group:

- Fellowship
- Worship
- Pray Together
- Minister to One Another
- Outreach
